

# Bible Studies

**Day and Time** Sunday - 10:00am-1:00pm  
**Course Duration:** Runs year round  
**Instructors/lead:** Jeffery Hay

## Course Description

During our Bible Studies talks there is an emphasis on seeking to understand what God is saying to us from the text of the Bible. Most of the time we work our way through books of the Bible, although at other times relevant topics are discussed.

When you arrive for the first time, someone will welcome you and answer any questions you may have. What we hope you'll find is a welcoming local community of people of all ages and backgrounds who meet to learn about faith in Jesus Christ from the Bible.

Our meetings are appropriately informal and culturally relevant. There is usually some singing, Bible readings and a talk around these readings. The aim of the talk is that we want to hear God speak to us personally in our own lives from the Bible.

Sessions run throughout the year, and are open to all those interested in exploring Christianity and learning more about the bible.

There are also activities for children and young adults.
