Contact: Phone 01-4953882 for more details

Course Description

We offer music instrument lessons for musicians of all levels, including absolute beginners, in Button Accordion, Tin Whistle, Flute, Concertina, Harp, Banjo and Fiddle as well as Sean Nós singing.

Classes run during the Autumn, Spring and Summer terms. The cost is €240 per year for tin whistle and singing, and €290 per year for the other instruments. This amount is payable in two instalments one in September and one January. We are able to have a more flexible financial arrangement for those who need to avail of it. Classes are in small groups and of half hour duration.

Instruments are generally purchased at your own expense.

We also run lessons in a range of other music instruments, including guitar, piano, saxophone, etc. Check out the course description [here](#).
